News Title Vice-President Inaugurates 9th India International Water Week 2026 at Bharat Mandapam

Exam Radar Exam Radar: UPSC Civil Services (GS Paper III - Environment & Disaster Management), State PSCs, SSC CGL, and RBI Grade B — highly critical for questions on sustainable water management, climate resilience, and Jal Shakti initiatives.

News in One Liner Vice-President C. P. Radhakrishnan inaugurated the 9th edition of India International Water Week (IIWW) 2026 under the theme *"Climate Resilient Water Management"* in New Delhi.

Detailed News

- Vice-President C. P. Radhakrishnan officially inaugurated the 9th India International Water Week (IIWW) 2026, organized by the Ministry of Jal Shakti at Bharat Mandapam, New Delhi (September 22–26, 2026).
- The central theme of the 5-day global conference is **"Climate Resilient Water Management,"** focusing on addressing climate impacts on water availability and storage.
- The conference convenes policymakers, international water researchers, technology leaders, and civil society actors to deliberate on digital hydrology, cross-sectoral coordination, and the Water-Energy-Food (WEF) nexus.
- Discussions emphasize strengthening groundwater recharge frameworks, improving irrigation efficiency, and fostering multi-stakeholder international partnerships to achieve long-term water security.

Connect the Dots Building climate-resilient water infrastructure aligns directly with Jal Jeevan Mission, Catch the Rain campaign, and Sustainable Development Goal 6 (Clean Water and Sanitation).

Static Points Related to News

- Ministry of Jal Shakti was formed in May 2019 by merging the Ministry of Water Resources, River Development & Ganga Rejuvenation and the Ministry of Drinking Water and Sanitation.
- India International Water Week (IIWW) was conceptualized in 2012 as an annual/biennial flagship international event of the Ministry of Jal Shakti.
- Central Groundwater Board (CGWB) and Central Water Commission (CWC) act as technical statutory bodies under the Ministry of Jal Shakti.

News Title PM Narendra Modi Launches "Project Rhino" on World Rhino Day

Exam Radar Exam Radar: UPSC Civil Services (GS Paper III - Biodiversity & Wildlife), State PSCs, CDS, NDA, and SSC CGL — high probability of questions on flagship species conservation schemes, protected areas, and wildlife demographics.

News in One Liner On World Rhino Day, Prime Minister Narendra Modi announced the rollout of "Project Rhino" to extend financial and technical support to range states for greater one-horned rhinoceros protection.

Detailed News
● Prime Minister Narendra Modi announced the initiation of **Project Rhino** on World Rhino Day (September 22) to provide dedicated Central support to rhino range states.
● The scheme provides structured financial resources and technical assistance for habitat management, anti-poaching operations, genetic improvement, and tracking population dynamics.
● PM Modi highlighted Assam's pivotal role in hosting nearly 80% of the world's greater one-horned rhinoceros population and praised successful reintroduction programs in Dudhwa (Uttar Pradesh), Bihar, and West Bengal.
● The initiative aims to build on zero-poaching successes in Kaziranga National Park and replicate structured habitat corridors across North-East and Northern India.

Connect the Dots Institutionalizing Project Rhino on the lines of Project Tiger (1973) and Project Elephant (1992) guarantees long-term budgetary and scientific backing to preserve fragile floodplain ecosystems.

Static Points Related to News
● Greater One-Horned Rhinoceros (*Rhinoceros unicornis*) is listed as **Vulnerable** on the IUCN Red List and under Schedule I of the Wildlife Protection Act, 1972.
● Assam hosts the highest concentration of rhinos globally, primarily across Kaziranga National Park, Pobitora Wildlife Sanctuary, Orang National Park, and Manas National Park.
● World Rhino Day is observed globally every year on September 22.

Points to Remember
● Prime Minister announced "Project Rhino" on World Rhino Day (Sept 22).
● Focus: Habitat management, anti-poaching, genetic research, and population tracking.

● Assam accounts for nearly 80% of global greater one-horned rhino numbers.

News Title Prime Minister Congratulates Indian Women's Cricket Team on Securing Asian Games Gold

Exam Radar Exam Radar: SSC CGL, State PSCs, Bank PO, and Railway Exams — vital for questions on major international sports achievements, medals tally, and multi-sport event hosts.

News in One Liner Prime Minister Narendra Modi praised the Indian Women's Cricket Team for winning the Gold Medal at the Asian Games.

Detailed News

● Prime Minister Narendra Modi extended national congratulations to the Indian Women's Cricket Team for winning the Gold Medal in the T20 cricket tournament at the Asian Games.
● The victory clinched India's opening Gold medal of the multi-sporting tournament, showcasing remarkable execution and competitive grit in the final match.
● The Prime Minister commended the team's discipline, athletic caliber, and leadership, highlighting how their performance inspires budding female athletes across rural and urban India.
● Sports authorities noted that the Gold medal finish reinforces India's dominance in Asian regional cricket frameworks following its inclusion in multi-sport events.

Connect the Dots Strong performances in international events reinforce national sports promotion frameworks under the *Khelo India* and *Target Olympic Podium Scheme (TOPS)* initiatives.

Static Points Related to News

● Board of Control for Cricket in India (BCCI) is the governing body for cricket in India, headquartered at the Wankhede Stadium, Mumbai.
● Cricket was reintroduced into the Asian Games framework under T20 formatting.
● Ministry of Youth Affairs and Sports oversees national sports federations and elite athlete preparation programs.

Points to Remember

● Achievement: Gold Medal in Women's Cricket at the Asian Games.
● Congratulatory message issued by Prime Minister Narendra Modi.
● Outcome marked one of the flagship medal successes for India's sporting contingent.

News Title Ministry of Civil Aviation Launches Challenge Mode Portal Under Modified UDAN Scheme

© 2025-2026 Mocktoofficer.in. All rights reserved
YouTube Telegram

Exam Radar Exam Radar: UPSC Civil Services (GS Paper III - Infrastructure), RBI Grade B, IBPS PO, and State PSCs — crucial for questions on regional air connectivity, infrastructure development models, and aviation policies.

News in One Liner Civil Aviation Minister Kinjarapu Ram Mohan Naidu launched the Challenge Mode portal to allow States and UTs to competitively nominate airstrips for development under modified UDAN.

Detailed News

- Union Minister of Civil Aviation Kinjarapu Ram Mohan Naidu launched the **Challenge Mode portal** for aerodrome selection under the next phase of the UDAN (Ude Desh ka Aam Nagrik) regional connectivity scheme.
- The Challenge Mode creates a competitive framework enabling State Governments and Union Territories to nominate unserved or underserved airstrips and helipads for priority central infrastructure support.
- The Minister also released the official Scheme Document for UDAN Route Bidding, inviting airline operators to bid transparently for regional routes to improve passenger affordability and operational sustainability.
- The next phase of UDAN rests on four core pillars: passenger affordability, operational sustainability, transparent project selection, and promotion of indigenous aviation manufacturing.

Connect the Dots Upgrading regional aerodromes via competitive state participation accelerates regional tourism, lowers logistics friction, and advances the vision of making air travel accessible to tier-2 and tier-3 cities.

Static Points Related to News

- UDAN (Ude Desh ka Aam Nagrik) was launched in October 2016 as the flagship Regional Connectivity Scheme (RCS) under the Ministry of Civil Aviation.
- Airports Authority of India (AAI) acts as the Implementing Agency for the UDAN scheme.
- Challenge Mode pricing/selection evaluates state readiness in terms of land acquisition, utility supply, and viability gap funding (VGF) commitments.

Points to Remember

- Portal launched: Challenge Mode for aerodrome development under modified UDAN.
- Minister: Union Minister of Civil Aviation Kinjarapu Ram Mohan Naidu.
- Four Pillars: Affordability, Sustainability, Challenge Mode Selection, and Indigenous Manufacturing.

News Title TRAI Issues Telecom Consumer Protection (13th Amendment) Regulations, 2026

© 2025-2026 Mocktoofficer.in. All rights reserved
YouTube Telegram

Exam Radar Exam Radar: UPSC Civil Services (GS Paper II & III - Governance, Regulatory Bodies & Economy), State PSCs, SSC CGL, and RBI Grade B — vital for questions on consumer protection regulations, telecom sector reforms, and TRAI mandates.

News in One Liner Telecom Regulatory Authority of India (TRAI) issued new regulations requiring telecom companies to offer standalone, affordable voice-and-SMS-only plans without mandatory data bundling.

Detailed News

- TRAI finalized the Telecom Consumer Protection (Thirteenth Amendment) Regulations, 2026, after evaluating stakeholder feedback and holding open house discussions.
- The amendment addresses the scarcity of Special Tariff Vouchers (STVs) restricted purely to voice and SMS services, which had previously been skewed toward longer validity periods.
- Telecom Service Providers (TSPs) are now mandated to offer reduced-tariff Voice and SMS-only STVs for validities of 30 days or less, matching all existing data-bundled validity tiers.
- TSPs must also provide options with validities renewable on the exact same date of every month (or the last day of a month), alongside longer-duration options.
- The regulatory framework specifically benefits low-income consumers, senior citizens, and feature-phone users by removing unnecessary costs associated with forced data bundling.

Connect the Dots Eliminating forced data bundling enhances digital inclusion and affordability, aligning with broader financial inclusion and consumer rights protection frameworks in regulated utility sectors.

Static Points Related to News

- Telecom Regulatory Authority of India (TRAI) was established on February 20, 1997, under the Telecom Regulatory Authority of India Act, 1997.
- Headquarters of TRAI is located in New Delhi.
- Telecom Disputes Settlement and Appellate Tribunal (TDSAT) was created via a 2000 amendment to adjudicate disputes between service providers and consumers/regulators.

Points to Remember

- Regulatory Body: Telecom Regulatory Authority of India (TRAI).
- Core Mandate: Mandatory Voice & SMS-only STVs with validities under 30 days and monthly fixed-date renewals.
- Target Beneficiaries: Feature-phone users and low-income consumer groups preferring non-data recharge plans.

News Title **Union Home Minister Inaugurates 3rd National Conference of Anti-Narcotics Task Force Heads**

Exam Radar Exam Radar: UPSC Civil Services (GS Paper III - Internal Security), State PSCs, CDS, NDA, and SSC CGL — crucial for topics on internal security threats, drug trafficking networks, and national law enforcement strategies.

News in One Liner Union Home Minister Amit Shah inaugurated the 3rd National Conference of Anti-Narcotics Task Force (ANTF) Heads, setting a strategic target to completely eliminate the illicit drug trade from India by December 31, 2029.

Detailed News

- Union Home Minister and Minister of Cooperation Amit Shah presided over the 3rd National Conference of State/UT Anti-Narcotics Task Force (ANTF) Heads in New Delhi.
- The government unveiled a strategic **Roadmap 2029**, aiming to dismantle all domestic and cross-border narco-trafficking networks by December 31, 2029.
- The strategy transitions law enforcement operations from a "Seizure-centric approach" to "Network Elimination," shifting focus from simple property seizures to end-to-end criminal network prosecution.
- Districts across the country will be classified into three operational clusters: manufacturing/entry districts, transit corridors, and consumption hubs.
- Under the awareness initiative, "Nashamukt Mitras" will visit 10 lakh educational institutions nationwide to sensitize students and academic administrators.

Connect the Dots Establishing dedicated ANTFs at state levels and leveraging centralized coordination through the NCB supports the broader vision of a *Nasha Mukt Bharat* and safeguards national security from narco-terror funding.

Static Points Related to News

- Narcotics Control Bureau (NCB) was established in March 1986 under the Narcotics Drugs and Psychotropic Substances (NDPS) Act, 1985.
- NCB operates as the nodal drug law enforcement and intelligence agency under the Ministry of Home Affairs.
- NCORD (Narco Coordination Centre) was established in 2016 to provide a four-tier institutional mechanism for inter-agency coordination.

Points to Remember

- Target Deadline: Uprooting drug trade completely by December 31, 2029.

News Title India Hosts 7th High-Level Meeting of the OPEC-India Energy Dialogue in New Delhi

Exam Radar Exam Radar: UPSC Civil Services (GS Paper II & III - International Relations & Energy Security), RBI Grade B, SSC CGL, and State PSCs — highly relevant for questions on global energy markets, oil diplomacy, and multilateral trade dialogues.

News in One Liner India and the Organization of the Petroleum Exporting Countries (OPEC) held their 7th High-Level Energy Dialogue in New Delhi to discuss crude oil market stability, long-term investments, and energy supply security.

Detailed News
● The 7th High-Level Meeting of the OPEC-India Energy Dialogue was held in New Delhi, co-chaired by Minister of Petroleum & Natural Gas Hardeep Singh Puri and OPEC Secretary General Haitham Al Ghais.
● The bilateral co-chairs evaluated short-, medium-, and long-term global energy outlooks, emphasizing India's role as a major growth engine driving future global energy demand.
● Discussions focused on securing balanced oil market conditions, preventing price volatility, and ensuring timely capital investments across upstream and downstream petroleum infrastructure.
● The meeting highlighted the importance of sustained producer-consumer diplomacy to support global economic development and energy transition requirements.
● Both delegations agreed to convene the 8th High-Level Meeting of the OPEC-India Energy Dialogue in Vienna, Austria.

Connect the Dots Engaging directly with primary oil-producing nations stabilizes crude imports, supporting India's macroeconomic stability, inflation management, and strategic petroleum reserve planning.

Static Points Related to News
● OPEC (Organization of the Petroleum Exporting Countries) was founded in September 1960 in Baghdad, Iraq; its headquarters are in Vienna, Austria.
● India is the world's 3rd largest consumer and importer of crude oil, importing over 85% of its crude requirements.
● Ministry of Petroleum and Natural Gas oversees hydrocarbon exploration, refining, distribution, and strategic energy partnerships.

News Title NHAI and SSNNL Sign MoU to Streamline Infrastructure Approvals in Gujarat

Exam Radar Exam Radar: UPSC Civil Services (GS Paper III - Infrastructure), State PSCs (Gujarat Public Service Commission), SSC CGL, and Bank PO — important for inter-agency coordination models, infrastructure financing, and regional highway projects.

News in One Liner National Highways Authority of India (NHAI) signed an MoU with Sardar Sarovar Narmada Nigam Limited (SSNNL) to establish a fast-track approval framework for highway, canal, and pipeline crossings in Gujarat.

Detailed News
- NHAI and Sardar Sarovar Narmada Nigam Limited (SSNNL) signed a Memorandum of Understanding (MoU) in Gandhinagar to streamline inter-agency approvals for national highway and irrigation projects.
- A core feature of the agreement is the mutual waiver of processing fees, charges, and extra levies for all canal, pipeline, and highway crossings covered under the partnership.
- The waiver removes procedural delays, cuts project overheads, and prevents the cost overruns associated with multi-departmental clearances.
- The MoU establishes clear operational guidelines for early project data sharing, standardized engineering practices, and defined maintenance responsibilities for crossing structures.
- The framework serves as an integrated planning model for regional infrastructure projects across Gujarat.

Connect the Dots Fast-tracking infrastructure clearances via inter-departmental MoUs advances the goals of the PM Gati Shakti National Master Plan for multi-modal connectivity and infrastructure integration.

Static Points Related to News
- National Highways Authority of India (NHAI) was constituted under the National Highways Authority of India Act, 1988, under the Ministry of Road Transport and Highways.
- Sardar Sarovar Narmada Nigam Limited (SSNNL) is a Gujarat Government undertaking responsible for constructing and managing the Sardar Sarovar Dam and canal network.

News Title GST 2.0 Completes One Year of Implementation, Simplifying Tax Structure and Enhancing Compliance

Exam Radar Exam Radar: UPSC Civil Services (GS Paper III - Economy & Taxation), RBI Grade B, SEBI Grade A, IBPS PO, and State PSCs — highly important for questions on indirect tax reforms, GST Council decisions, and tax rate rationalization.

News in One Liner India's next-generation Goods and Services Tax (GST 2.0) completed one full year of implementation, successfully transitioning the country to a simplified two-tier primary tax slab structure.

Detailed News
● The next-generation Goods and Services Tax (GST 2.0) completed its first anniversary, marking a major milestone in India's indirect tax landscape.
● Under the GST 2.0 framework, the GST Council rationalized the earlier multi-tier system into a simplified primary two-tier structure featuring 5% and 18% slabs, along with a dedicated higher levy on select luxury and sin goods.
● The reform streamlined registration procedures, automated return filings, and accelerated Input Tax Credit (ITC) refunds for businesses.
● The operational ease directly benefits Micro, Small, and Medium Enterprises (MSMEs) and startups by lowering compliance costs and eliminating classification disputes.

Connect the Dots Rate rationalization and procedural simplification under GST 2.0 widen the formal tax base, reduce tax cascading, and strengthen long-term revenue collections for both Central and State governments.

© 2025-2026 Mocktoofficer.in. All rights reserved

Static Points Related to News

● Goods and Services Tax (GST) was introduced in India via the 101st Constitutional Amendment Act, 2016, coming into effect on July 1, 2017.
● Article 279A of the Constitution governs the setup of the GST Council, chaired by the Union Finance Minister.
● GST functions as a comprehensive, multi-stage, destination-based indirect tax levied on value addition.

Points to Remember

● GST 2.0 completed one year of rollout.
● Transitioned to a simplified primary two-tier structure (5% and 18%).
● Focus areas: Automated returns, faster Input Tax Credit (ITC) processing, and lower compliance burden for MSMEs.

News Title India Flash PMI Hits Three-Month High in September on Strong Manufacturing and Services Expansion

Exam Radar Exam Radar: RBI Grade B, SEBI Grade A, UPSC Civil Services (Economy), and Bank PO — crucial for macroeconomic indicators, Purchasing Managers' Index (PMI) metrics, and business activity trends.

News in One Liner The HSBC India Flash Composite Output Index surged to a three-month high in September 2026, powered by robust output growth across both manufacturing and service sectors.

Detailed News

● According to flash survey data compiled by S&P Global for HSBC, India's private sector economic expansion accelerated sharply in September 2026.
● The HSBC Flash India Manufacturing PMI climbed to a seven-month high of 55.7 in September, compared to 52.8 recorded in August 2026.
● The HSBC Flash India Services PMI Business Activity Index also exhibited strong upward momentum, driven by solid demand and expanding domestic and export orders.
● Total new orders grew at the fastest pace in several months, prompting domestic companies to expand employment levels and scale up input purchases.

Connect the Dots Strong composite PMI readings confirm sustained domestic economic resilience, validating upward revisions to full-year GDP growth estimates by major global rating agencies.

YouTube Telegram

Static Points Related to News

- Purchasing Managers' Index (PMI) is an investor indicator derived from monthly surveys of private sector companies.
- A PMI reading above 50 indicates expansion over the previous month, a reading below 50 signals contraction, and 50 denotes no change.
- S&P Global compiles India's Manufacturing and Services PMI reports in partnership with HSBC.

Points to Remember

- HSBC Flash India Manufacturing PMI rose to a 7-month high of 55.7 in September 2026.
- Overall composite business activity reached a three-month high.
- Indicators show simultaneous acceleration in manufacturing output and service business volumes.

News Title Fitch Ratings Raises India FY27 GDP Growth Forecast to 6.9% Amid Economic Resilience

Exam Radar Exam Radar: UPSC Civil Services (GS Paper III - Economy), RBI Grade B, IBPS PO, and State PSCs — vital for sovereign growth projections, global credit rating reports, and interest rate outlooks.

News in One Liner Global rating agency Fitch Ratings upgraded India's FY2026–27 (FY27) GDP growth projection to 6.9% from 6.4%, citing stronger-than-expected economic performance.

Detailed News

- Fitch Ratings revised its growth forecast for India's real Gross Domestic Product (GDP) in FY27 upward by 50 basis points to 6.9%.
- The upward revision follows stronger-than-expected economic momentum, with quarterly GDP growth accelerating to 8.6% year-on-year in the preceding quarter.
- Fitch noted that private investment prospects remain buoyant, projecting total fixed investment to expand by over 10% alongside strong non-food credit growth of 19%.
- However, the agency cautioned that rising inflation and adverse energy price developments could weigh on real incomes, predicting a 25 basis point policy rate hike by the Reserve Bank of India (RBI).

Connect the Dots Upward growth revisions by global rating agencies reflect strong corporate balance sheets and resilient domestic demand, counterbalancing external trade headwinds and elevated international commodity prices.

© 2025-2026 Mocktoofficer.in. All rights reserved
YouTube Telegram

Static Points Related to News

- Fitch Ratings is one of the "Big Three" credit rating agencies globally, alongside Moody's and S&P Global Ratings.
- Real GDP measures economic output adjusted for inflation (using constant prices), whereas Nominal GDP measures output at current market prices.
- Monetary Policy Committee (MPC) of the RBI determines the benchmark policy repo rate to control inflation and support economic growth.

Points to Remember

- Revised GDP growth forecast by Fitch Ratings for FY27: 6.9% (up from 6.4%).
- Projected growth in domestic private investment: Exceeding 10%.
- Anticipated RBI policy rate hike: 25 basis points.

News Title S&P Global Ratings Upgrades India's FY27 GDP Growth Projection to 7.0%

Exam Radar Exam Radar: UPSC Civil Services, RBI Grade B, SEBI Grade A, SBI PO, and SSC CGL — high probability of questions on macroeconomic forecasts, credit rating agency estimates, and GDP growth revisions.

News in One Liner S&P Global Ratings raised India's real GDP growth forecast for FY27 to 7% from 6.6%, citing robust industrial output, healthy consumption, and strong exports.

Detailed News

- S&P Global Ratings upgraded its growth forecast for the Indian economy for the fiscal year ending March 31, 2027, to 7.0% from its earlier estimate of 6.6%.
- The agency attributed the 40 basis point upgrade to an above-expectation quarterly GDP growth print of 7.8% driven by industrial activity and accelerating public capital expenditure.
- S&P highlighted that strong performance in manufacturing and service exports helped offset temporary weaknesses in specific consumer-facing segments.
- The rating agency projected consumer price inflation to average 5.1% for FY27 and expects the Reserve Bank of India to hike the policy rate by 25 basis points to contain persistent price pressures.

Connect the Dots Upgrades by both S&P and Fitch highlight India's position as the fastest-growing major economy among G20 nations, supported by structural digital tax reforms and infrastructure spending.

Static Points Related to News

News Title RBI Releases Supervisory Data Quality Index (sDQI) for Scheduled Commercial Banks for June 2026

Exam Radar Exam Radar: RBI Grade B, SEBI Grade A, NABARD Grade A, UPSC Civil Services (GS Paper III - Economy), and Bank PO — crucial for regulatory frameworks, banking compliance metrics, and data governance standards.

News in One Liner The Reserve Bank of India (RBI) published the Supervisory Data Quality Index (sDQI) for Scheduled Commercial Banks (SCBs) for June 2026 to assess regulatory data accuracy and timeliness.

Detailed News
● The Reserve Bank of India (RBI) released the Supervisory Data Quality Index (sDQI) scores for Scheduled Commercial Banks for the period ending June 2026.
● The sDQI evaluates the quality of regulatory filings and microdata submitted by banks across four key parameters: Accuracy, Timeliness, Completeness, and Consistency.
● The index aims to measure bank compliance against the principles outlined in the RBI (Commercial Banks – Supervisory Returns) Directions, 2026 and RBI (Small Finance Banks – Supervisory Returns) Directions, 2026.
● By monitoring sDQI, the central bank aims to strengthen supervisory assessment capabilities, ensure early detection of reporting anomalies, and maintain robust data governance across the banking system.

© 2025-2026 Mocktoofficer.in. All rights reserved

Connect the Dots High-quality supervisory data enables early detection of financial risks, strengthens macroprudential regulation, and reduces systemic vulnerabilities across commercial banks.

Static Points Related to News

- Reserve Bank of India (RBI) was established on April 1, 1935, under the Reserve Bank of India Act, 1934, based on the Hilton Young Commission recommendations.
- Scheduled Commercial Banks (SCBs) are banks listed in the Second Schedule of the Reserve Bank of India Act, 1934, meeting minimum paid-up capital and reserve requirements.
- Department of Supervision (DoS) within the RBI oversees off-site monitoring and on-site inspection of commercial banks, UCBs, and NBFCs.

Points to Remember

- Index Released: Supervisory Data Quality Index (sDQI) for June 2026.
- Target Entities: Scheduled Commercial Banks (SCBs) and Small Finance Banks (SFBs).
- Core Metrics: Accuracy, Timeliness, Completeness, and Consistency.

News Title IRDAI Eases Dividend Repatriation Rules for Foreign-Owned Insurance Intermediaries

Exam Radar Exam Radar: IRDAI Assistant Manager, SEBI Grade A, RBI Grade B, UPSC Civil Services (Economy), and Bank PO — highly relevant for insurance sector reforms, foreign investment norms, and ease of doing business policies.

News in One Liner The Insurance Regulatory and Development Authority of India (IRDAI) relaxed dividend repatriation rules for foreign-owned insurance intermediaries, eliminating prior approval requirements subject to financial safeguards.

Detailed News

- IRDAI eased the process for foreign-owned or controlled insurance intermediaries (such as insurance brokers, web aggregators, and corporate agents) to repatriate dividends to foreign parent entities.
- Under the revised norms, foreign-owned intermediaries meeting specified capital adequacy, solvency, and regulatory compliance criteria can remit dividends without obtaining prior IRDAI approval.
- The relaxations aim to reduce administrative delays, align insurance sector regulations with broader Foreign Direct Investment (FDI) guidelines, and improve capital mobility.
- The move expectedly enhances the attractiveness of India's insurance distribution ecosystem for international investors and global reinsurance brokers.

© 2025-2026 Mocktoofficer.in. All rights reserved
YouTube Telegram

Connect the Dots Streamlining dividend repatriation for foreign entities boosts foreign direct investment (FDI) inflows, accelerates technology transfers, and deepens insurance market penetration nationwide.

Static Points Related to News

- Insurance Regulatory and Development Authority of India (IRDAI) is a statutory body established under the IRDAI Act, 1999, headquartered in Hyderabad, Telangana.
- FDI limit in insurance intermediaries is allowed up to 100% under the automatic route.
- Foreign Direct Investment (FDI) limit in insurance underwriting companies stands at 74%.

Points to Remember

- Regulatory Body: Insurance Regulatory and Development Authority of India (IRDAI).
- Reform: Removed prior approval requirements for foreign-owned insurance intermediaries repatriating dividends.
- Beneficiaries: Foreign insurance brokers, corporate agents, and insurance web aggregators.

News Title 21 States and UTs Sign MoUs with Civil Aviation Ministry for Next Phase of Modified UDAN Scheme

Exam Radar Exam Radar: UPSC Civil Services (GS Paper III - Infrastructure), RBI Grade B, State PSCs, and SSC CGL — important for regional air connectivity, infrastructure policy execution, and Centre-State cooperative federalism.

News in One Liner As many as 21 States and Union Territories signed MoUs with the Ministry of Civil Aviation to implement the Challenge Mode framework for aerodrome development under the modified UDAN scheme.

Detailed News

- The Ministry of Civil Aviation signed MoUs with 21 States and UTs to operationalize the competitive Challenge Mode phase of the UDAN (Ude Desh ka Aam Nagrik) regional connectivity initiative.
- The participating States/UTs agreed to provide crucial operational support, including free land, utility connections, security, firefighting cover, and reduced VAT on Aviation Turbine Fuel (ATF).

© 2025-2026 Mocktoofficer.in. All rights reserved

● Under the Challenge Mode, state proposals will be ranked on project readiness to allocate Central support for converting unserved and underserved airstrips/helipads into active operational routes.
● The partnership aims to connect 120 new regional destinations and add over 4 crore passengers to regional air networks over the next decade.

Connect the Dots Active state involvement via binding MoUs addresses past bottleneck challenges like delayed land acquisition, accelerating regional infrastructure buildout and boosting tier-2/tier-3 economic hubs.

Static Points Related to News
● UDAN Scheme was launched in 2016 under the Ministry of Civil Aviation to enable affordable regional air travel.
● Challenge Mode methodology relies on competitive benchmarking among sub-national entities to allocate development grants based on operational readiness.
● Airports Authority of India (AAI) acts as the nodal implementing agency for regional connectivity infrastructure.

Points to Remember
● Participating Units: 21 States and Union Territories.
● Key Mechanism: MoUs for competitive "Challenge Mode" aerodrome development under modified UDAN.
● Target Outcome: 120 new regional air destinations and 4 crore additional regional passengers over the next 10 years.

News Title Government Extends Environmental Clearance Validity for Ports and Dredging Projects Up to 30 Years

Exam Radar Exam Radar: UPSC Civil Services (GS Paper III - Environment & Infrastructure), State PSCs, and SSC CGL — highly relevant for questions on environmental governance, EIA notifications, and maritime infrastructure development.

News in One Liner The Union Environment Ministry extended the initial validity of Environmental Clearances (ECs) for port, harbour, and dredging projects from 10 years to 20 years, extendable up to 30 years.

Detailed News

© 2025-2026 Mocktoofficer.in. All rights reserved

● The Ministry of Environment, Forest and Climate Change (MoEFCC) issued a gazette notification extending the initial validity period of Environmental Clearances (ECs) for ports, harbours, breakwaters, and dredging projects to 20 years.
● The rule allows two subsequent extensions of 5 years each in deserving cases, bringing the total permissible validity window to 30 years—aligning port infrastructure with mining sector clearance timelines.
● The decision responds to requests from the Ministry of Ports, Shipping and Waterways to address long gestation periods, land acquisition delays, and maritime construction complexities.
● The extensions remain subject to mandatory review by Expert Appraisal Committees (EAC) and strict implementation of updated Environmental Management Plans (EMP).

Connect the Dots Streamlining environmental compliance timelines directly supports the *Maritime Amrit Kaal Vision 2047* and *Sagarmala Program*, accelerating port capacity expansion while maintaining statutory ecological oversight.

Static Points Related to News
● Environment Impact Assessment (EIA) in India is statutorily governed under the **Environment (Protection) Act, 1986**.
● Expert Appraisal Committees (EAC) evaluate infrastructure projects at the central level, while SEIAA operates at the state level.

Detailed News

- The Ministry of Railways issued official notifications operationalizing the Unified Pension Scheme (UPS) for Railway employees covered under the National Pension System (NPS).
- Employees completing 25 years of qualifying service will receive a **full assured pension equal to 50%** of their average basic pay drawn over the last 12 months prior to superannuation.
- A guaranteed **minimum pension of ₹10,000 per month** is assured for employees completing at least 10 years of service.
- The scheme includes a **family pension set at 60%** of the employee's pension amount, voluntary retirement (VRS) after 20 years of service, and a one-time option to switch between UPS and NPS.
- Employee contribution stands at 10% of basic pay + DA, while government matching contribution is structured to support the assured pool corpus.

Connect the Dots Transitioning to UPS balances social security demands for government employees with sustainable long-term budget commitments under PFRDA regulation.

Static Points Related to News

- Pension Fund Regulatory and Development Authority (PFRDA) is the statutory regulator governing pension schemes in India.
- National Pension System (NPS) was introduced for central government recruits joining on or after January 1, 2004.

News Title **Bangladesh Appoints M. Asad Alam Siam as New High Commissioner to India**

Exam Radar Exam Radar: UPSC Civil Services (GS Paper II - International Relations), State PSCs, CDS, NDA, and SSC CGL — significant for bilateral diplomatic appointments, Neighbourhood First policy, and South Asian diplomacy.

News in One Liner Senior diplomat M. Asad Alam Siam has been named Bangladesh's new High Commissioner to India, succeeding Mustafizur Rahman.

Detailed News

- The Ministry of Foreign Affairs of Bangladesh selected career diplomat M. Asad Alam Siam as the country's next High Commissioner to India.
- Siam, a veteran Foreign Service officer, previously served in several key diplomatic assignments, including as Bangladesh's Inspector General of Missions and Ambassador to Austria.
- He replaces outgoing envoy Mustafizur Rahman as the head of the Bangladesh High Commission in New Delhi.
- The appointment comes at a critical juncture as both nations seek to navigate bilateral trade dynamics, transit agreements, river-water sharing discussions, and regional border management.

Connect the Dots Maintaining active high-level diplomatic leadership supports regional security, economic cooperation within BIMSTEC, and seamless cross-border infrastructure connectivity under India's 'Neighbourhood First' policy.

Static Points Related to News

- Bangladesh shares the longest land border with India among all neighboring nations (~4,096 km across 5 states: West Bengal, Assam, Meghalaya, Tripura, and Mizoram).
- High Commission vs. Embassy: Diplomatic missions maintained between Commonwealth member nations are designated as "High Commissions" rather than "Embassies".
- BIMSTEC (Bay of Bengal Initiative for Multi-Sectoral Technical and Economic Cooperation) includes both India and Bangladesh as founding members.

Points to Remember

- New Envoy: M. Asad Alam Siam (High Commissioner of Bangladesh to India).
- Predecessor: Mustafizur Rahman.

Ranking and Reports

News Title WEF Survey Places India at Top of Global Growth Outlook; Household Incomes Set to Rise

Exam Radar Exam Radar: UPSC Civil Services (GS Paper III - Economy), RBI Grade B, SEBI Grade A, IBPS PO, and State PSCs — crucial for global macroeconomic reports, Chief Economists' survey findings, and income trends.

News in One Liner The World Economic Forum's (WEF) September 2026 Chief Economists' Outlook placed India at the top of the global growth forecast, noting it as one of only two regions where real household incomes are rising.

Detailed News

- The World Economic Forum (WEF) published its periodic **Chief Economists' Outlook** survey, evaluating macroeconomic expectations across major global regions.
- **98% of surveyed chief economists** expect moderate or stronger growth in India over the next 12 months, with 74% forecasting "strong or very strong" growth.
- India and Southeast Asia were identified as the **only two global regions** where a clear majority of economists expect inflation-adjusted (real) household incomes to expand over the coming year.
- The report noted Europe as the weakest economic region, while placing China in a stagnant outlook, with one in three economists predicting weak growth.

Connect the Dots Strong growth projections and rising real household incomes bolster consumer sentiment, supporting capital investment and insulating domestic economic expansion from global market turbulence.

Static Points Related to News

- World Economic Forum (WEF) is an international non-governmental organisation founded in 1971 by Klaus Schwab, headquartered in Cologny, Switzerland.
- WEF publishes flagship reports including the *Global Gender Gap Report*, *Global Risks Report*, and *Global Competitiveness Report*.
